

 **Mt Hawthorn School Song** 

 Our school is the place to be 

 It's a real community 

 So many years gone by 

 It's the best and we know why 

 ***So let's look to the future and hold your head up high*** 

 ***Remembering the good times and why*** 

 ***We love Mount Hawthorn School*** 

 Discovering every day 

 While we work and play 

 Striving hard to be the best that we can be 

 ***So let's look to the future and hold your head up high*** 

 ***Remembering the good times and why*** 

 ***We love Mount Hawthorn School*** 

 It's such a friendly place 

 It puts a smile on your face 

 The friendships that we've made 

 Will last forever and a day 

 ***So let's look to the future and hold your head up high*** 

 ***Remembering the good times and why*** 

 ***We love Mount Hawthorn School***
